## WELCOME TO CLASSICTRAK KEY/REMOTE PROTECTION PROGRAM

Thanks to technological advancements, most vehicles are operated with keys which are computer programmed with special codes that match the codes located within the ignition. Because of this new technology, replacing a lost or stolen key/remote can be extremely expensive! Not to mention the time consuming! In some cases, depending on the make of the vehicle, it can cost as much as \$800 per key/remote.

### BENEFITS:

#### Key replacement benefit:

In the event your key/remote is lost, stolen or destroyed we will pay for a replacement key/remote.

#### Additional key replacement:

We will replace keys that were on your key ring at the time your keys were lost, stolen or destroyed.

#### 24 hour emergency road service:

You are covered for emergency road service and roadside assistance throughout the U.S. and Canada.

#### Taxi, rental, towing, valet assistance:

24 hour coverage will be provided to assist you in obtaining any of these services.

## MORE BENEFITS:

#### Lockout service:

If your keys are accidentally locked out of your vehicle you will be alerted and entitled to the service specified in your contract.

#### Home lockout assistance:

If you are locked out of your primary residence, we will provide services to help you gain entry to your home.

#### Custom trip routing:

We will, at no charge, provide you with a map and travel route to the destination of your choice.

Whenever you travel, you'll like the secure feeling of knowing that you are protected.

Fast response and excellent service are just two reasons why millions of motorists rely on us for on-the-road protection.

\*Please see your contract for specific terms and conditions of coverage.
